### Levy

Additional enrichment activities are incorporated into the curriculum and are reflected in the levy. For example: limited excursions, music and drama classes, playball, robotics and Lego workshops, hearing and eye screening, fun days, Ohana week etc. These activities are liable to change, and the levy may fluctuate. As we keep textbooks to a minimum, a portion is allocated to printing costs of learning materials.

### Additional Costs

Certain extras such as stationery, textbooks, art packs, learner manuals, photographs, certain excursions and external examination fees (if applicable).

### Sporting and Education Tours

All funds relating to the above must be paid in full prior to departure. School fees must be paid in full before attendance is allowed.

### Fee Policy

Please refer to the fee's policy for terms and conditions.

One terms notice (4 months) is required, in writing, prior to withdrawal from the school.
